NOTE FOR DIRECTOR OF CENTRAL INTELLIGENCE
CHIEF, LATIN AMERICA DIVISION/DDO

FROM: CONSTANTINE C. MENGES *cc m/jh*

You will be receiving formal notification that an NSPG meeting on Central America will most likely occur this Friday, December 23, at 11:00AM. The latest draft we have from State is dated December 8; and in my view, fails to cover four important items:

- (1) diplomatic objectives and strategy;
- (2) legislative strategy;
- (3) public diplomacy for US domestic and international audiences;
- (4) a cap in US military maneuvers between early February 1984 and June 1984 (although this last item was discussed at the Restricted IG on Thursday, December 15, and will be the subject of a JCS paper due about January 10, 1984).

I am attaching a copy of the NSC comment on the State paper sent last week.
